		ADDENDA	N/A			

The Director of Purchasing and the Director of School Food and Nutrition Services concur in recommending M & B Products, Inc. Juice for Champ's Cafe who is the overall low bidder meeting specifications, terms, and conditions. Purchasing called the three suppliers with a "no bid". These suppliers stated they either did not carry all of these products requested or did not want to deliver to each of our schools (i.e. they would only make one drop off).

  
Gregory Herlean, Director of Purchasing

  
Terri Whitacre, Director of School Food and Nutrition Services
