STUDENT IN-COUNTY REASSIGNMENT

- REQUEST** (MARCH THROUGH JANUARY)
- NOTIFICATION** (FEBRUARY OPEN ENROLLMENT, EARLY CHILDHOOD PROGRAMS OR KINGERGARTEN ROUND-UP ONLY)

Appendix 16 A

School Board Rule 5120, *Student Assignment*, permits parents to enroll their child in a school other than the one to which they have been assigned. This choice must be made during the month of February and will become effective at the start of the next school year. Parents or guardians requesting a student reassignment at any time other than February must complete this application as a REQUEST and submit to the district Hardship Committee. Reassignments are granted through the completion of the highest-grade level offered at each school site. Preference will be given to that student's younger siblings to attend the same out-of-district school. **Students will not be allowed to change school assignments during the school year without prior approval of the Hardship Committee.**

Reassignment Request Guidelines

If a school or grade level is closed due to over enrollment, request for student reassignment will NOT be considered. The following list represents the valid reasons for which a transfer may be approved.

- A. Students who change residence and school attendance boundaries may remain at the out-of-boundary school until completion of the highest grade offered. (Example: Student lives in Port Charlotte High School [PCHS] attendance zone and attends PCHS. Family moves to Charlotte High School [CHS] attendance zone. Student may choose to remain at PCHS.)
- B. Siblings of a student enrolled in an exceptional education or ESOL program at a school different from the assigned school may attend the same school as the student in the exceptional education or ESOL program. Transportation is not provided.
- C. Students who wish to attend an out-of-boundary school in order to participate in a selected curriculum program currently unavailable at their assigned school, may do so providing the student has demonstrated the academic ability to be successful. To be eligible for continued reassignment, the student must maintain a "C" average for the year.
- D. Students in Charlotte County whose primary nighttime residence is in a supervised publicly or privately operated shelter for temporary accommodations (or in a public or private place not designated for or ordinarily used for continuing human habitation) shall be entitled to enrollment in Charlotte County Public Schools.
- E. Students may be granted permission to attend an out-of-boundary school if the parent/guardian is employed and the responsible guardian presents evidence that a problem in supervision exists before or after school. **Please attach additional information.**
- F. Students may be reassigned for valid health reasons. Reasons based on physical health must be certified by the student's physician and specify the reasons why the reassignment is necessary or desirable. Reasons based on mental health must be certified by a licensed mental health professional. **Documentation must be completed and attached with Application for Student Reassignment.**
- G. Parents who plan to move into another attendance area, but who have not yet moved at the time they wish to register the child, may fill out an application for student reassignment. **This must be accompanied by a legal document, such as contract, showing the location of the prospective address and the closing date (month/day/year).**
- H. The administration is authorized to initiate or approve reassignment if it is of the opinion there are unique factors present which would inhibit the success of a student at one school and increase it at another. Such factors mainly would be in the area of special health problems, court, and other agency recommendations.
- I. Students who meet district priority criteria regarding income and achievement and who attend a school not making Adequate Yearly Progress (AYP) may enroll in a district selected alternative school (transportation provided).
- J. Full-time Charlotte County Public Schools employees may enroll their children at the school of their choice, regardless of any restrictions, unless the school is at enrollment capacity.
- K. Other. Parent must explain in writing.

Revocation of Student Reassignment Privilege

Upon recommendation of the principal and the review and approval of the Hardship Committee, a student may be returned to the assigned school in his/her attendance zone at the beginning of the next grading period for the following reasons: discipline, attendance problems and/or reasons for reassignment are no longer valid.
